

THE APPLE.

THE SEED.

Chances are, you're not going to attempt to win any rallies in your 2010 Subaru Impreza WRX. Still it's nice to know that the same DNA found in the Subaru rally car is at the very heart of this audacious model. Both cars share a SUBARU BOXER engine – in the case of the WRX, one that produces 265 hp and 244 lb-ft of torque. And both share the legendary Subaru symmetrical full-time All-Wheel Drive system. So whether you're seeking rugged dependability, the ability to tackle unexpected road conditions or simply an exciting ride to pilot your next adventure, the rally-proven WRX is up to the task and offers proof positive that the apple does not fall far from the tree. To learn more about the WRX, stop by your nearest Subaru Dealer, call 1-800-876-4AWD or visit our Web site at www.subaru.ca.
